

# TELL US WHAT YOU THINK!

## PUBLIC MEETING

Wednesday, May 27th, 2009

4:30–7:30 PM

818 S. Broadway - Ground Floor of the Wurlitzer Building (between 8th & 9th)

Join us as we review both the **Design Alternatives for the Broadway Streetscape Master Plan**, and the **draft Broadway Entertainment Community Design Overlay District** guidelines and standards, and take your comments. Both the Streetscape Master Plan team and City of Los Angeles Planning staff will be represented in this joint session.

We will ask you to consider the design of public right of way areas, including elements on the sidewalks and in the street itself which enhance the historic character and serve pedestrians and transit riders. You will also get a chance to review and discuss the ideas for private development guidance and regulation addressing the buildings and private properties on Broadway.

Both the Streetscape Master Plan and the Community Design Overlay District are intended to improve the appearance, enhance the identity, promote the pedestrian environment, and economic revitalization, of the Broadway corridor.

Mark your calendars now and plan to attend and provide your input! All are welcome!
